In pursuance to decision taken in the 44<sup>th</sup> Finance Committee meeting and 29<sup>th</sup> Council meeting, following penalties are implemented for defaulter Institute/student of Diploma & Post Diploma Courses with immediate effect.

01. Earlier, there was no provision of correction of wrong entry of marks, out of wrong full mark in Internal/Sessional/Practical Examination for which the students used to suffer a lot. Hence it is decided to collect a penalty of Rs.1000/- per candidate per correction of marks of individual subject, provided Examination Committee decides to allow such correction.

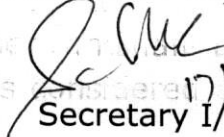

02. Earlier, it was observed that Council gets frequent requests for Examination Registration of the left out students beyond the scheduled date for form fill up. To facilitate these left out students, it is decided to collect penalty @ Rs.500/- per semester per candidate till 3 days from closure of form fill up date. This period is considered as fine date.

A special fine of Rs.2000/- per candidate per semester can be allowed by Controller of Examinations at his discretion beyond the normal fine date, till 3 days before beginning of the date of Examination.
