

No. 1373 Date. 12/10/2020
SCTE(D)-09/2020

It is hereby informed that Live Mock Test shall be held on 17.10.20 and 18.10.20 from 10 AM to 12 Noon (Batch 1) and 2Pm to 4PM (Batch 2) for 5th semester online Summer Exams 2020. It is compulsory to appear in the Live Mock Test so as to test the device including internet connectivity through which the students shall appear the actual online exams. As the online Exams of 5th semester summer 2020 shall be held in remote proctor mode, it is essential to test the mobile/laptop/desktop/tab etc. by the system, before these are actually used in the online exams. Besides, internet connectivity shall also be tested through such Live Mock test. Any student, if faced with difficulty shall have to make alternative arrangement for such exams as per system requirement notified earlier before appearing actual exams.

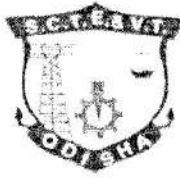

It is once again informed that the students opting for home-based exams shall have to arrange the device and internet connectivity as per Technical requirement notified earlier. Similarly, Institutions where the candidate has chosen to appear online exams shall have to provide the device and internet connectivity as per Technical requirement notified earlier. SCTE&VT shall not be held responsible if there is any failure to arrange such facility by the student concerned or Institution concerned as the case may be.

The detailed Time Table for Live Mock Test is mentioned below. The student shall be allowed only once to appear in Live Mock Test. In case, a student is unable to appear the Live Mock Test on 17/10/20 he/she can appear such test on 18/10/20 at the same time /batch as allotted to him/her on 17/10/2020. A student if appeared once in Live Mock Test shall not be allowed to appear in such Test second time.

Principals are also requested to inform the students accordingly and provide the required facility in their centre for the students who have opted for own Institution as Exams centre.
